European Young Clippers Simagena Contest, Sunday February 22 2009

Dear friends, fans of clipping and show cows,

Simagena is the biennial exhibition of cattle and cattle breeding. This expo is the breeding part of the notable SIMA, world leader exhibition of farm machinery which takes place at the Villepinte Showground (in the neighborhood of Roissy International Airport) from February 22 to February 26 2009.

It is now a classic, Simagena starts its program with the European Young Clippers Simagena Contest on Sunday morning.

As the very international character of the expo (35% of the cattle which intend to the show come from other European countries than France), the European Young Clippers Simagena Contest is also **open to all participants (women or men – forming a team of 2) up to the age of 23, either they are students or already active, on the only condition that they are non professional clippers and that they have never clipped or trimmed animals in exchange for a payment.**

Only bring your clipping box. The heifers already washed and dried will be randomly distributed. Your work (not the heifer herself) will be judged and commented by an expert before placing. Participants will receive an "Exhibitor" badge by mail (please return your entry form as soon as possible) to enter the show ground before the open hours.

Participants will be welcome at 9:00 a.m. in the show ring for a short meeting, for the drawing of the heifers and to install.

The contest will start at 9:45 a.m. and will stop at 11:00. The judge will operate till 11:30. Podium, gifts and reception (lunch) will follow.

The entering forms to the European Young Clippers Simagena Contest must be returned before February 1st. We are looking forward to your participation or to your collaboration to spread this information.

Please feel free to call, fax or e-mail for more information.

Good luck to each of you. Sincerely yours,

Dominique CARMOUËT
In charge of the European Young Clippers Simagena Contest

SIMA SIMAGENA

February 22 – February 26 2009
Paris-Nord Villepinte
France
